ORDER

The learned counsel for the petitioners prays, the learned Public Prosecutor does not oppose the said prayer and I am satisfied that in the light of the decision in **State of Kerala and Others v. Unni** [2007(1) KLT 151 (S.C)], this prosecution in which the only allegation is that the percentage of Ethyl Alcohol in toddy exceeds the permissible figure cannot be sustained.

2. However, report of the Chemical Examiner shows that the starch is found to be positive. There is no allegation raised under section 57 (a) of the Kerala Abkari Act on that score. However, there is an allegation under Section 56(b) of the Kerala Abkari Act. The learned Public Prosecutor submits that in as much as genuine toddy is not expected to contain any amount of starch, the prosecution wants to sustain the allegation under Section 56(b) of the Kerala Abkari Act. I am satisfied that the said allegation can be continued.

3. In the result, this Crl.M.C is allowed in part. The allegation raised under Section 57(a) is quashed as agreed. The proceedings can continue and investigation can be completed in so far as the allegation under Section 56(b) of the Kerala Abkari Act is concerned.
